

The Purpose Institute Global Affiliate Program

Our goal is to get our personal purpose-focused courses and materials into the hands of every possible Christian Sr. High School and Home School student, and every Christian youth organization in the world by August 2030.

As a **Purpose Institute Affiliate** you'll have the right to refer individuals and groups to the Institute's courses, especially our *Your Prophetic Kingdom Blueprint Course*, and be paid when those you refer use your *personalized Affiliate link* to purchase a course.

You'll be paid for every purchase, which includes all members of any group no matter the size. (For example: if you refer a youth organization and all 100 of their members purchase one of our courses – you are paid for 100 sales.) And we'll have discount coupons for groups and special needs situations.

Your main focus should be groups, such as:

- Christian High Schools & Home School organizations
- Para-church Youth Organizations
- Church Youth Groups
- Faith-based organizations
- Bible and Ministry Training Schools

Why Focus On Groups?

Because when you enroll an organization that has a continual turnover of members, such as a high school, you will receive commissions for *all subsequent purchases* by all new students taking our courses for years to come. **But Remember – you will need to stay connected** with those groups to be sure our courses are continually purchased.

Your Own Website

You will also receive your personal *Affiliate website* to allow you to track all of your referrals and commissions in real time. Under the *Marketing Materials* tab on that website, you'll be able to download your Affiliate link for use in emails and texts.

If you are not already familiar with affiliate marketing techniques, we suggest you study the following sites and any others you may find on the Internet:
