\*Bill's goal, as with all of us at GPS7, is to equip and bless the Body of Christ. While Bill does not specify a particular financial amount to come and minister, his livelihood and that of GPS7 is not underwritten by any local church or organization. The finances generated by his speaking engagements and resource sales are primary sources of income for paying the expenses of the ministry. We recognize that each ministry handles honorariums differently and Bill will honor the protocol of whatever ministry he speaks/ministers for. Your generosity in honorariums and/or love offerings is so helpful, and greatly appreciated, as is permission for Bill to make his resource materials available for sale to those who attend. We also understand that if Bill accepts your request, it is a significant commitment of trust, time, and effort being made by both parties.
